SHIPPING

In collaboration with the **Federation of Spanish Publishers' Guilds**, ArtsLibris offers a professional **collective air freight service** from Barcelona to Guadalajara, designed to facilitate the shipment of books and materials for participation in the **Guadalajara International Book Fair (FIL)**.

The cost of this service is **€190 (excluding taxes)** per box, with a maximum weight of **10 kg** and dimensions of **40 x 30 x 25 cm**, with a limit of **five boxes per publisher**.

Boxes exceeding the specified weight or dimensions will incur a surcharge proportional to the excess weight over the 10 kg base limit.

To request this service, participants must select the corresponding option on the registration form. Publishers undertake to send their materials within the specified deadlines and in accordance with the required weight and dimensions. Failure to do so may release the organisers from the obligation to provide the contracted service. Shipping costs will be invoiced together with the participation fee in a single invoice.

The shipping service covers **one-way transport only**, from Barcelona to Guadalajara. At the end of the fair, exhibitors will be solely responsible for organising and covering the full cost of return shipping, as well as all associated logistics.
